STEP 1 CONTACT US

- Reach out to request a portable nuclear gauge rental by phone or email.
- Rentals are offered on a first-come, first-served basis.

STEP 2 WE CONFIRM AVAILABILITY & LICENSING

- Our team confirms gauge availability and verifies that your CNSC licence allows the requested make and model.

STEP 3 RENTAL AGREEMENT & PAYMENT

- We prepare and send a rental agreement for signature and collect credit card details.
- The invoice for the first month is issued once the gauge ships, and payment is due upon receipt.

STEP 4 GAUGE PREPARATION & SHIPPING

- All rental gauges are inspected, calibrated, and leak-tested before shipment.
- Rental gauges are shipped across Canada.

STEP 5 USE DURING YOUR PROJECT

- Weekly or monthly rental options are available, with no limit on rental duration.

STEP 6 RETURN

- Once your project is complete, ship the gauge back to us.
- Our team inspects the gauge and confirms all accessories are returned.

All gauges: \$795 per month

- ▶ Credit card required.
- ▶ Availability is first come, first served.
