

ALARA Consultants Transition Plan

A Continued Commitment to Our Valued Customers

To all of our valued ALARA Consultants customers,

We would like to take this opportunity to thank you for your continued trust, confidence, and partnership. Our customers have always been at the heart of ALARA Consultants, and as we transition our operations to Stuart Hunt & Associates (SHA), our commitment to providing you with the same high level of service, expertise, and personal attention remains our priority.

This transition is an exciting next step for our team and will allow us to continue serving you with the resources and capabilities of Stuart Hunt & Associates, while maintaining the relationships and service standards you have come to expect from ALARA Consultants.

Below is an outline of the transition timeline and what you can expect during each stage.

October 1–29, 2026 | Business as Usual

ALARA Consultants will continue operating from our existing location throughout the month of October.

During this time, there will be no change to your normal service experience. Our team will continue to support your existing needs, projects, and equipment as usual under the ALARA Consultants name.

October 30, 2026 | Moving Day

On October 30, the ALARA Consultants office will close for the day as our personnel and equipment transition to the Stuart Hunt & Associates facility:

**Stuart Hunt & Associates
15803-145 Avenue N.W.
Edmonton, Alberta
T6V 0H8**

If you have customer equipment located at the ALARA Consultants premises on October 30, it will be safely transferred to the SHA location so that any required service work can be completed.

Once the work is complete, your equipment will either be:

- Shipped directly back to you; or
- Made available for customer pickup at the SHA location beginning November 2, 2026.

Our team will work to make this process as seamless as possible and will communicate with you regarding any equipment or work affected by the move.

November 2–30, 2026 | Continued ALARA Service

Beginning November 2, operations will resume and continue throughout the month under the ALARA Consultants name.

We will continue to serve our existing customers, complete ongoing projects, and support your equipment and service requirements during this transition period.

Our goal is to ensure that this change creates as little disruption as possible to your business.

December 1, 2026 | Transition to Stuart Hunt & Associates

Effective December 1, 2026, all new business will be conducted under the Stuart Hunt & Associates (SHA) name.

ALARA Consultants will continue to complete and invoice any outstanding work that was initiated prior to the transition, ensuring that existing commitments are fulfilled through to completion.

Our Commitment to You

While the name on your invoices and new business may change, our commitment to you does not.

We sincerely value the relationships we have built with our ALARA Consultants customers over the years. Your trust and continued support have been an important part of our success, and we look forward to welcoming you as customers of Stuart Hunt & Associates.

Our team remains committed to providing responsive service, technical expertise, and the personal attention you have come to expect from us. We appreciate your patience and understanding throughout this transition and are excited about the opportunity to continue serving you as part of Stuart Hunt & Associates.

Thank you for your continued business, trust, and partnership. We look forward to serving you for many years to come. Should you have any questions, please do not hesitate to contact Amanda Moore at 1-800-538-8138 or via email at amanda@alaraconsultants.com.
